Medieval Survival Free Download PC Game

the game is a multiplayer online battle arena fps played from a third-person perspective, which offers a lot of control customization. players can choose from a variety of available characters, from beginners through to elites, and are then able to fit all of those characters with weapons and armor. the game has a survival mode, which allows players to fight against other players in two-on-two team matches. so the real star of this game is the story, where you'll play as a member of a small village that's invaded by a small army led by a priest. the priest initially offers peace for all and allows you to travel freely in his domain. no good deeds are refused here! however, you must not kill anyone and won't be allowed to kill anyone either. the village is overrun by rats and while that may sound like a minor issue, they're actually a lot easier to deal with than huge armies. after the first night, you'll have to decide whether to continue traveling with the priest or to take matters into your own hands. unlocks heroes and enchantments are earned in the training tab. monsters in this game also have health bars. the weapon skill tree has stats that act as drops in a loot system. you can also unlock new people who have different skills. the ability to break your weapon is available. if you prefer to get a game right away with all the options for online multiplayer, you can play through the singleplayer campaign without installing. players can choose between the german, english, french, italian, polish, czech, russian, turkish and spanish language of the game. your first job is to establish a castle in the salt marsh to provide protection against hostile people. your castle consists of the palace itself and its surroundings. your castle has various rooms, like the bedroom, salon, dining room, brewery, kitchen, armory, archive and more. the mission is to spend an average of 15 minutes per day in each of them. some of them will give you information about the local region, while others can be used for entertaining your guests. in the palace you can also ask the residents who they are and what they are doing there. when you die you will become a revenant or angel. when you are an angel you can go back to the mortal world to make your request. otherwise, you can watch the world go by and meet many cute and chatty animals. 5ec8ef588b
